1913. and same was ordered placed
on file.

on Motion Engineer Shockley
was instructed to make a survey
and plat for sewer across the
property of Daniel J. Elliott from
Lake Street to the Wicomico River.

The following Resolution was passed

1913

By the Council as follows:

191.

Whereas a public nuisance exists in the present condition of the water standing on the property of Wm. H. Knowlton and the public health and interest demands that this nuisance be immediately abated; and whereas it is to the public benefit as well as to the interests and peculiar benefit of the property owners immediately adjacent to the said nuisance.

Now Therefore be it Resolved, that the Mayor of the City of Salisbury be, and he is hereby, Authorized and instructed to have prepared by the City Surveyor a plat of the Course and prepare Specifications of such sewer or drain as may be necessary to relieve this situation and abate the said nuisance, and to contract for the laying of a sewer or drain of a Temporary character over the said course and in conformity with such specifications and be it further Resolved, that the Expense of the said Temporary drain or sewer be paid from the

1913

General Funds of the City;
 And be it further Resolved that the
 City Solicitor be, and he is hereby
 instructed to take such action as
 may be requisite for the permanent
 abatement of such Nuisance at the
 Expense of those who are maintaining
 the same.
